CORPORATE MEMBERSHIP CARD

PUMP UP YOUR PROFITS WITH AN EMPLOYEE HEALTH CLUB & SPA MEMBERSHIP

Smart businesses realize that mid-management and other employees are their most valuable resource.

Investing in every worker's health means investing in the health of the company.

The benefits of good corporate health practices are immeasurable and include:

- Decreased medical absences
- Decreased disability claims/lower medical costs
- Increased productivity/happier employees
- Employee loyalty and retention
- Enhanced corporate image
- A good recruiting tool to attract better workers

THE BENEFITS OF A CORPORATE MEMBERSHIP ARE:

- Corporate membership card is flexible and can be used by all of your employees
- One card allows one person to visit a day or it could be set as 7 visits per week or 30 visits per month.

YOUR EMPLOYEES WILL HAVE ACCESS TO AND ENJOY THE FOLLOWING:

- Beautiful, clean club with an inviting and motivating atmosphere
- Cardiovascular center
- Private flat TVs on cardio equipment
- State-of-the-art strength equipment and free weights
- Sophisticated stretching room
- Dedicated aerobic studio with regular lessons
- Tranquil dressing room with showers, personal locker and dry Finnish Sauna
- Heated swimming pool under glazed roof with salted allergy-friendly water
- Sunken tiled Whirlpool
- Unique relaxation zone
